

From Internships

To Employment

# What is Project SEARCH?

Project SEARCH is a 9-month work training program for young adults with developmental and physical disabilities. Through a total workplace immersion, Project SEARCH facilitates a seamless combination of classroom instruction, career exploration, on-the-job training, and assistance pursuing entry-level placements.

The goal for each student is competitive, integrated employment.

Project SEARCH Seacoast NH is located at Portsmouth Regional Hospital and is one of five programs of its kind in NH. Community Partners, Portsmouth Regional Hospital, One Sky Community Services, and NH Vocational Rehabilitation collaborate to provide this unique opportunity to the NH seacoast region.
